**DECLARATION OF CHARLES SIZEMORE, D.D.S.  
IN SUPPORT OF APPLICATION FOR STAY  
OF MODIFIED FINAL ORDER PENDING PETITION FOR REVIEW**

1. My name is Charles Sizemore. I am licensed by the State of Texas to practice as a General Dentist, and have been in private practice at 3020 Legacy Drive, Suite 210, Plano, Texas 75023 since 1995. Before that, I practiced for approximately 20 years in Dallas, Texas.
2. This Declaration is submitted in support of Respondents' Application for Stay of the Modified Final Order (hereinafter "the Order") issued by the Federal Trade Commission (hereinafter "FTC") on January 25, 2010, and served upon Respondents on January 29, 2010.
3. In the course of my practice of dentistry over the past 30 years, I have often recommended that my patients use nutritional supplements and herbal products of the sort sold at the Daniel Chapter One website -- <http://www.danielchapterone.com> In my

experience, none of my patients have ever been harmed by the products sold by DCO, or other products of this type. I have examined the statements on that website about the products offered by DCO, and find that they are consistent with my understanding of how those products work.

4. If the FTC's stay were to go into effect, it would make it much more difficult for my patients to obtain products that are important and necessary to their health. In some cases, it would make it more expensive for my patients to obtain such products.

Pursuant to 28 U.S.C. Section 1746, I declare, under penalty of perjury, that the foregoing is true and correct.
